Fr. Rick Dressman of Cincinnati Ohio shares the wonderful power of the healing touch of Jesus. His witness inspires us to claim the victory won for us through Jesus Christ our Lord and Savior. We give thanks for his awesome power and presence in our lives. Read the [whole story](#) of his healing.

"Do we have the fire in us?" - Caroline Gambale-Dirkes asks at the Harrisburg Praise Rally. We encourage you to look into the Outreach events of the NSC and ignite a fire in your Diocese. Baptism in the Holy Spirit at the Heart of the Church

"The gift of baptism in the Spirit and its transformation of many lives since the emergence of the Catholic Charismatic Renewal in 1967 are reason for great joy and thanksgiving to God," states a new document entitled *Baptism in the Holy Spirit* soon to be published by the International Catholic Charismatic Renewal Service in Rome.

What are some of the key assertions of the document? [Click here](#) to read more.

The Charismatic Writers' Association has been formed to give those who wish a forum to have readership for their inspired texts. It will allow a fellowship among writers and an elevation of thought for a broader readership. The members of the Association will be beginning a blog to have a more dialogue approach and feedback capabilities. If interested in being a part of the Writer's Association contact the NSC at chariscenter@nsc-chariscenter.org and in the subject line write Writers' Association.
